Small Commercial – Variable Price Disclosure*

Service Utility	As of October2026
Centerpoint	15.7 cents/kWh
Oncor	19.0 cents/kWh
AEP Texas Central	17.6 cents/kWh
AEP Texas North	18.0 cents/kWh
Texas-New Mexico Power	19.3 cents/kWh

*The prices above reflect average usage of 1,500 kWh/month and a bill cycle that matches a calendar month. If a bill cycle covers periods from 2 consecutive months, the actual rate may vary. This disclosure should not be used to predict future pricing. The variable price may change each month at the sole discretion of Freepoint Energy Solutions. Your average price will also vary according to your usage. Please refer to your Electricity Facts Label for other pricing information.
